

PROGRAM SUMMARY

Thankful Bags

Since the program began in July of 2012, the Bayside Family Success Center (FSC) has been committed to supporting and strengthening family well-being within the community. It is a place for all residents of Middlesex County to receive free and confidential support, information and services. Nearly 600 families (over 400 registered for support) were assisted in the past fiscal year through the FSC.

One of our strengths is creating activities to engage families to spend quality time together to learn and grow. We have coordinated slime parties, game parties, life skills, and healthy living to name a few. The Bayside FSC in partnership with other Community & Family Services programs also hosts large scale events such as, Thankful Bags, Food for Thought, Earth Day, Look Forward to Back to School, and...

Our Bayside FSC

The Grinch Who Stole Brunch
