

## THE BASE

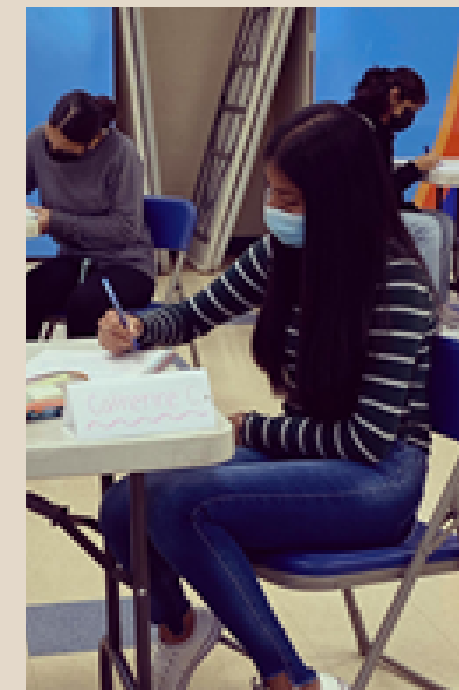

The Base launched a Domestic violence campaign to honor those who have lost their lives and or are suffering from Domestic abuse. We joined in the fight against Domestic violence by joining the national movement #purplethursday social media campaign where students and JRF employees sent pictures wearing purple that were then posted to our social media page with the hash tag #purplethursday.

## STEP - UP

Members of the Step-Up Program participated in the annual Breast Cancer Walk with the city of Perth Amboy. Every October, we get to see a wealth of information about breast cancer. It is a great thing for students to get involved in bringing awareness about the disease. Awareness surrounding breast cancer is incredibly important as is early detection.

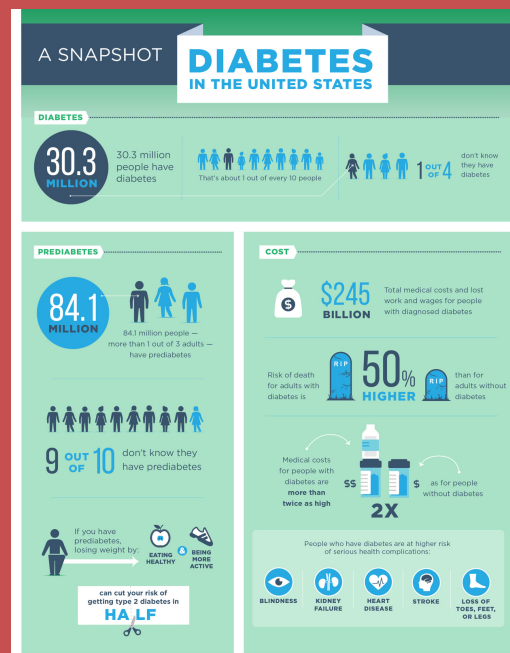

## EMERGING LEADERS

Emerging Leaders participated in their very first monthly meeting, held at the Brighton Avenue Teen Center. All of our new members, created a list of rules for every meeting. Memorized the Emerging Leaders Pledge. Learned what civic engagement is and were distributed a homework assignment to read an article regarding the social determinants of health.
